Contact was made with the Defendant at [REDACTED] who stated that he was in the shower. That is likely the cause of the Tamper alert. This Officer advised the Defendant to send photos of his GPS Unit to which he agreed. At approximately 1922 hours the Defendant contacted the EMS Unit. He stated that he did not know what to do and that his ankle monitor had "come apart" while drying off from his shower. He stated that he hit the ankle monitor very hard on the side of the tub causing it to come apart. This Officer advised the Defendant to send photos and a video of the ankle monitor to which he agreed. At approximately 1924 hours, one photo was received showing the ankle monitor strap broken. The Defendant's last tracked location was his Inclusion Zone at 600 NM-76, Espanola, NM 87532. Contact was attempted at 1940 hours with no success. Contact was attempted at 1953 hours with no success. Text messages were also sent to the Defendant at [REDACTED] at 1933, 1942, and 1953 hours with no response. The Defendant has Conditions of Release which stipulate that he must be on Electronic Monitoring and abide by all conditions set by the court including 24/7 house arrest.
